Grace, mercy and peace to you from God our Father and the Lord and Savior, Jesus Christ. Amen.

Last week, in our Gospel reading, we heard that Jesus crossed over the Sea of Galilee. He was exhausted and had been sleeping in the boat when a storm seemed to threaten to capsize the boat. These mostly experienced fishermen thought that they weren't going to make it to the other side. Overwhelmed by the storm, not knowing if it would ever stop, they called out to Jesus. And so, Jesus arose, and after speaking to the storm, said to His disciples. "Why are you so afraid? Have you still no faith?"

They made it across the Sea of Galilee, and returned once again to the crowds who had been waiting for Jesus to return. Among those waiting for Jesus to return, was a one of the rulers of the synagogue, by the name of Jairus. He fell down at Jesus's feet, earnestly asked Jesus to heal his little 12-year-old daughter. She was close to death, and he was afraid that he might lose his precious daughter. So, He begs for Jesus to come to his home and lay His hands on her, so that she might be made well once again. And Jesus, seeing how Jairus believed in Him, agreed to go.

Has there ever been a time in your life when it seems you've run out of options and don't know what to do? It's been said that one of mankind's greatest fears is the fear of the unknown. Not knowing what will happen next often bring fear and stress. But having faith and knowing that

things might work out, brings us peace and comfort. And I'm sure that after Jesus agreed to see his daughter, Jairus was starting to feel better. Because before Jesus arrived and agreed to see his daughter, Jairus really didn't know whether or not Jesus would even listen to what he had to say or be willing to go with him. It was a life or death situation, so after seeing and listening to Jairus, Jesus agreed to go with him and see Jairus' little girl. And so they all went, even the crowd that surround them.

And yet, in that crowd of people, there was a woman who had a discharge of blood for 12 years. Ceremonially unclean, and under the care of many doctors, she suffered and spent all that she had, hoping that chronic condition might get better. But instead, her condition only got worse...she was there in that crowd of people. And as they all walked along the way, she found herself close to Jesus, so she reached out to touch Him, saying to herself, "If I touch even His garments, I will be made well." (v.28) And then she felt in her body that the flow of blood dried up, and she was healed of her disease.

Jesus knew that power had gone out from Him. So, He turned to the crowds surrounding Him and said, "Who touched my garments?" (v.30b)... Trying to diffuse the situation, His disciples said to Him, "You see the crowd pressing around you, and yet you say, 'Who touched me?'" (v.31) But the woman who knew what had happened, came forward trembling with fear. And falling down before Him, confessed the whole truth. And in return, having Jesus said, "Daughter, your faith has made you well; go in peace and be healed of your disease." (v. 34) You see, even in seemingly hopeless situations, Jesus cares for those who believe in Him.

Now, while Jesus was speaking those words of comfort to the woman, someone came from Jairus' house about his daughter and said not to trouble Jesus anymore, because she had died.... But Jesus overheard what they said, and says to Jairus, "Do not fear. Just believe." (NIV: v.36b) Don't fear, just believe. That is always much easier said than done, especially when it comes to death. Throughout the years, people have said that there are only two things that are certain – and death is one of them. So, I'm sure that it was hard for Jairus not to fear that worst had happened to his daughter. Because when they got to the house, sure enough, people were weeping and crying out. They were so certain that the child was dead, that when Jesus said to them, "Why are you making a commotion and weeping? The child is not in dead but sleeping."(v.39a) They began to laugh at Him.

It was then that Jesus put them all out of the house, and took the father and mother to their daughter. And taking her by the hand, He said to her, "Little girl, I say to you, arise." (v.41) And she got up right away and began to walk around. They were amazed by the miracle. And because she was hungry, they gave her something to eat. Do not fear. Just believe.

Often because of our sin and sinful nature, we find it easier to fear death, rather than to simply believe in the miracle that Jesus came to bring us. Yet, as believers of God's abundant grace, we know that Jesus' words are true time and time again. – Do not fear. Just Believe. –

Because it's through death that believers are able to enter into paradise. St. John also recorded this for us in his Gospel, when Jesus said, "Truly, truly, I say to you, whoever hears my word and believes Him who sent me, has

eternal life. He does not come into judgement, but has passed from death to life.” (John 5:24) Jesus, Himself, said these words and made them possible for us, by His own death and resurrection. He willingly died on the cross so that He might conquer death itself for us, that we might come to believe this simple, yet enduring truth of God’s Word. Do not fear. Just Believe.

And by God’s grace, we do believe. Even though our sins bring to us a fear and uncertainty that comes with death. Because of our Lord’s love and grace, Jesus gives to us forgiveness, healing and a greater understanding of the certainty of eternal life for all believers. He gives to us His Spirit; He gives to us His Word and Sacraments; so that we might not fear, but believe. And it’s amazing even in our world today, that we can hold fast and believe that God gave His one and only Son, Jesus Christ, to die for us to make it possible. By His grace, we are saved for all eternity. Even St. Paul wrote, “...when the perishable puts on the imperishable, and the mortal puts on immortality, it shall come to pass the saying that is written, ‘Death has been swallowed up in victory.’” (1 Corinthians 15:54)

Do not be afraid. Just believe. And let these words of our Lord Jesus Christ to bring you comfort both today and on to eternity. Do not be afraid. Just believe. In Jesus Name, Amen.

And so, Jesus arose, and after speaking to the storm, said to His disciples. "Why are you so afraid? Have you still no faith?"

They made it across the Sea of Galilee, and returned once again to the crowds who had been waiting for Jesus to return. Among those waiting for Jesus to return, was a one of the rulers of the synagogue, by the name of Jairus. He fell down at Jesus's feet, earnestly asked Jesus to heal his little 12-year-old daughter. She was close to death, and he was afraid that he might lose his precious daughter. So, He begs for Jesus to come to his home and lay His hands on her, so that she might be made well once again. And Jesus, seeing how Jairus believed in Him, agreed to go.

Has there ever been a time in your life when it seems you've run out of options and don't know what to do? It's been said that one of mankind's greatest fears is the fear of the unknown. Not knowing what will happen next often bring fear and stress. But having faith and knowing that

things might work out, brings us peace and comfort. And I'm sure that after Jesus agreed to see his daughter, Jairus was starting to feel better. Because before Jesus arrived and agreed to see his daughter, Jairus really didn't know whether or not Jesus would even listen to what he had to say or be willing to go with him. It was a life or death situation, so after seeing and listening to Jairus, Jesus agreed to go with him and see Jairus' little girl. And so they all went, even the crowd that surround them.

And yet, in that crowd of people, there was a woman who had a discharge of blood for 12 years. Ceremonially unclean, and under the care of many doctors, she suffered and spent all that she had, hoping that chronic condition might get better. But instead, her condition only got worse...she was there in that crowd of people. And as they all walked along the way, she found herself close to Jesus, so she reached out to touch Him, saying to herself, "If I touch even His garments, I will be made well." (v.28) And then she felt in her body that the flow of blood dried up, and she was healed of her disease.

Jesus knew that power had gone out from Him. So, He turned to the crowds surrounding Him and said, "Who touched my garments?"(v.30b)...Trying to diffuse the situation, His disciples said to Him, "You see the crowd pressing around you, and yet you say, 'Who touched me?'" (v.31) But the woman who knew what had happened, came forward trembling with fear. And falling down before Him, confessed the whole truth. And in return, having Jesus said, "Daughter, your faith has made you well; go in peace and be healed of your disease." (v. 34) You see, even in seemingly hopeless situations, Jesus cares for those who believe in Him.

Now, while Jesus was speaking those words of comfort to the woman, someone came from Jairus' house about his daughter and said not to trouble Jesus anymore, because she had died.... But Jesus overheard what they said, and says to Jairus, "Do not fear. Just believe." (NIV: v.36b) Don't fear, just believe. That is always much easier said than done, especially when it comes to death. Throughout the years, people have said that there are only two things that are certain – and death is one of them. So, I'm sure that it was hard for Jairus not to fear that worst had happened to his daughter. Because when they got to the house, sure enough, people were weeping and crying out. They were so certain that the child was dead, that when Jesus said to them, "Why are you making a commotion and weeping? The child is not in dead but sleeping."(v.39a) They began to laugh at Him.

It was then that Jesus put them all out of the house, and took the father and mother to their daughter. And taking her by the hand, He said to her, "Little girl, I say to you, arise." (v.41) And she got up right away and began to walk around. They were amazed by the miracle. And because she was hungry, they gave her something to eat. Do not fear. Just believe.

Often because of our sin and sinful nature, we find it easier to fear death, rather than to simply believe in the miracle that Jesus came to bring us. Yet, as believers of God's abundant grace, we know that Jesus' words are true time and time again. – Do not fear. Just Believe. –

Because it's through death that believers are able to enter into paradise. St. John also recorded this for us in his Gospel, when Jesus said, "Truly, truly, I say to you, whoever hears my word and believes Him who sent me, has

eternal life. He does not come into judgement, but has passed from death to life.” (John 5:24) Jesus, Himself, said these words and made them possible for us, by His own death and resurrection. He willingly died on the cross so that He might conquer death itself for us, that we might come to believe this simple, yet enduring truth of God’s Word. Do not fear. Just Believe.

And by God’s grace, we do believe. Even though our sins bring to us a fear and uncertainty that comes with death. Because of our Lord’s love and grace, Jesus gives to us forgiveness, healing and a greater understanding of the certainty of eternal life for all believers. He gives to us His Spirit; He gives to us His Word and Sacraments; so that we might not fear, but believe. And it’s amazing even in our world today, that we can hold fast and believe that God gave His one and only Son, Jesus Christ, to die for us to make it possible. By His grace, we are saved for all eternity. Even St. Paul wrote, “...when the perishable puts on the imperishable, and the mortal puts on immortality, it shall come to pass the saying that is written, ‘Death has been swallowed up in victory.’” (1 Corinthians 15:54)

Do not be afraid. Just believe. And let these words of our Lord Jesus Christ to bring you comfort both today and on to eternity. Do not be afraid. Just believe. In Jesus Name, Amen.

Grace, mercy and peace to you from God our Father and the Lord and Savior, Jesus Christ. Amen.

Last week, in our Gospel reading, we heard that Jesus crossed over the Sea of Galilee. He was exhausted and had been sleeping in the boat when a storm seemed to threaten to capsize the boat. These mostly experienced fishermen thought that they weren't going to make it to the other side. Overwhelmed by the storm, not knowing if it would ever stop, they called out to Jesus. She was close to death, and he was afraid that he might lose his precious daughter. So, He begs for Jesus to come to his home and lay His hands on her, so that she might be made well once again. And Jesus, seeing how Jairus believed in Him, agreed to go.

Has there ever been a time in your life when it seems you've run out of options and don't know what to do? It's been said that one of mankind's greatest fears is the fear of the unknown. Not knowing what will happen next often bring fear and stress. But having faith and knowing that

things might work out, brings us peace and comfort. And I'm sure that after Jesus agreed to see his daughter, Jairus was starting to feel better. Because before Jesus arrived and agreed to see his daughter, Jairus really didn't know whether or not Jesus would even listen to what he had to say or be willing to go with him. It was a life or death situation, so after seeing and listening to Jairus, Jesus agreed to go with him and see Jairus' little girl. And so they all went, even the crowd that surround them.

And yet, in that crowd of people, there was a woman who had a discharge of blood for 12 years. Ceremonially unclean, and under the care of many doctors, she suffered and spent all that she had, hoping that chronic condition might get better. But instead, her condition only got worse...she was there in that crowd of people. And as they all walked along the way, she found herself close to Jesus, so she reached out to touch Him, saying to herself, "If I touch even His garments, I will be made well." (v.28) And then she felt in her body that the flow of blood dried up, and she was healed of her disease.

Jesus knew that power had gone out from Him. So, He turned to the crowds surrounding Him and said, "Who touched my garments?"(v.30b)...Trying to diffuse the situation, His disciples said to Him, "You see the crowd pressing around you, and yet you say, 'Who touched me?'" (v.31) But the woman who knew what had happened, came forward trembling with fear. And falling down before Him, confessed the whole truth. And in return, having Jesus said, "Daughter, your faith has made you well; go in peace and be healed of your disease." (v. 34) You see, even in seemingly hopeless situations, Jesus cares for those who believe in Him.

Now, while Jesus was speaking those words of comfort to the woman, someone came from Jairus' house about his daughter and said not to trouble Jesus anymore, because she had died.... But Jesus overheard what they said, and says to Jairus, "Do not fear. Just believe." (NIV: v.36b) Don't fear, just believe. That is always much easier said than done, especially when it comes to death. Throughout the years, people have said that there are only two things that are certain – and death is one of them. So, I'm sure that it was hard for Jairus not to fear that worst had happened to his daughter. Because when they got to the house, sure enough, people were weeping and crying out. They were so certain that the child was dead, that when Jesus said to them, "Why are you making a commotion and weeping? The child is not in dead but sleeping."(v.39a) They began to laugh at Him.

It was then that Jesus put them all out of the house, and took the father and mother to their daughter. And taking her by the hand, He said to her, "Little girl, I say to you, arise." (v.41) And she got up right away and began to walk around. They were amazed by the miracle. And because she was hungry, they gave her something to eat. Do not fear. Just believe.

Often because of our sin and sinful nature, we find it easier to fear death, rather than to simply believe in the miracle that Jesus came to bring us. Yet, as believers of God's abundant grace, we know that Jesus' words are true time and time again. – Do not fear. Just Believe. –

Because it's through death that believers are able to enter into paradise. St. John also recorded this for us in his Gospel, when Jesus said, "Truly, truly, I say to you, whoever hears my word and believes Him who sent me, has

eternal life. He does not come into judgement, but has passed from death to life.” (John 5:24) Jesus, Himself, said these words and made them possible for us, by His own death and resurrection. He willingly died on the cross so that He might conquer death itself for us, that we might come to believe this simple, yet enduring truth of God’s Word. Do not fear. Just Believe.

And by God’s grace, we do believe. Even though our sins bring to us a fear and uncertainty that comes with death. Because of our Lord’s love and grace, Jesus gives to us forgiveness, healing and a greater understanding of the certainty of eternal life for all believers. He gives to us His Spirit; He gives to us His Word and Sacraments; so that we might not fear, but believe. And it’s amazing even in our world today, that we can hold fast and believe that God gave His one and only Son, Jesus Christ, to die for us to make it possible. By His grace, we are saved for all eternity. Even St. Paul wrote, “...when the perishable puts on the imperishable, and the mortal puts on immortality, it shall come to pass the saying that is written, ‘Death has been swallowed up in victory.’” (1 Corinthians 15:54)

Do not be afraid. Just believe. And let these words of our Lord Jesus Christ to bring you comfort both today and on to eternity. Do not be afraid. Just believe. In Jesus Name, Amen.

Grace, mercy and peace to you from God our Father and the Lord and Savior, Jesus Christ. Amen.

Last week, in our Gospel reading, we heard that Jesus crossed over the Sea of Galilee. He was exhausted and had been sleeping in the boat when a storm seemed to threaten to capsize the boat. These mostly experienced fishermen thought that they weren't going to make it to the other side. Overwhelmed by the storm, not knowing if it would ever stop, they called out to Jesus. And so, Jesus arose, and after speaking to the storm, said to His disciples. "Why are you so afraid? Have you still no faith?"

They made it across the Sea of Galilee, and returned once again to the crowds who had been waiting for Jesus to return. Among those waiting for Jesus to return, was a one of the rulers of the synagogue, by the name of Jairus. He fell down at Jesus's feet, earnestly asked Jesus to heal his little 12-year-old daughter. She was close to death, and he was afraid that he might lose his precious daughter. So, He begs for Jesus to come to his home and lay His hands on her, so that she might be made well once again.
